

MONTHLY CONCESSION PASS REFUND FOR STUDENTS DURING PHASE 2 (HEIGHTENED ALERT)

The Government announced full Home-Based Learning (HBL) from 19 to 28 May 2021 for all primary, secondary, junior college and Millenia Institute students, including those from Special Education schools. Institutes of Higher Learning would also reduce attendance on campus from 19 May to 13 June 2021 i.e. till the end of Phase 2 (Heightened Alert) (P2HA).

Transit Link Pte Ltd (TransitLink) recognises that most students would not have to take public transport during this period. As such, all students from primary to tertiary level who purchased their Monthly Concession Passes on or before 16 May 2021 will receive an automatic pro-rated refund for the period from 19 May to 13 June 2021, or up to the pass expiry date, whichever is earlier. The refund amount will be based on the unused days of the pass during the valid refund period. Refund will be made by way of a public transport electronic voucher (eVoucher).

From 17 June to 30 September 2021, you can redeem the public transport eVoucher at any TransitLink Ticket Office (TL TO) / Concession Card Replacement Office (CCRO) / Add-Value Machine / TransitLink Kiosk / Top-up Kiosk / Assisted Service Kiosk by crediting it to your concession card, or using it to offset the price of your next MCP purchase at TL TO/CCRO.

You may register for a TL SimplyGo account via the [TL SimplyGo app](#) or [TransitLink SimplyGo Portal](#) to check if you have received the eVoucher for the refund of the unused portion of your student concession pass. This information will be available on your TL SimplyGo account from 17 June 2021.

Please refer to the following FAQ for more information:

1. Why is TransitLink providing refunds for student Monthly Concession Passes?

On 16 May 2021, the Government announced full Home-Based Learning (HBL) from 19 to 28 May 2021 for all primary, secondary, junior college and Millenia Institute students, including those from Special Education schools. Institutes of Higher Learning would also reduce attendance on campus from 19 May to 13 June 2021, while Private Education Institutions are also encouraged to do so.

TransitLink recognises that most students would not have to take public transport during this period. As such, all students from primary to tertiary level who purchased their Monthly Concession Passes on or before 16 May 2021 will receive an automatic pro-rated refund for the period from 19 May to 13 June 2021, or up to the pass expiry date, whichever is earlier. The refund amount will be based on the unused days of pass usage during the valid refund period.

2. What kind of Monthly Concession Passes are eligible for refunds?

Holders of all student concession cards, including School Smartcard, non-MOE Student Smartcard, Institute of Technical Education Concession Card, Private Education Institution Student Concession Card, Diploma Student Concession Card and Undergraduate Concession Card, who purchased a Monthly Concession Pass (MCP) **on or before 16 May 2021**, will be entitled to a pro-rated refund of the unused value of the MCP. The MCP must be valid for use between 19 May and 13 June 2021.

3. What must I do to apply for refund of unused value of my Monthly Concession Pass?

No action is required from you. Refunds for any unused value of all student Monthly Concession Passes that are valid for use between 19 May and 13 June 2021, will be computed and processed automatically.

4. How much refund will I receive for the Monthly Concession Pass purchased?

The refunded amount will be pro-rated based on the unused days of pass usage during the valid refund period from **19 May to 13 June 2021** (both dates inclusive), or up to the pass expiry date, whichever is earlier.

Examples:

- 1) On 14 May 2021, a Secondary School Smartcard holder purchased a \$26.50 Train Concession Pass (TCP) for use from **14 May to 13 June 2021**. As he had purchased the TCP before 16 May 2021, **if he did not use the pass at all from 19 May to 13 June**, his pro-rated refund for the period (19 May to 13 June) will be computed as follows:

$$\frac{\text{Unused: 26 days * (19 May to 13 June)}}{31 \text{ days (14 May to 13 June)}} \times \$26.50 = \$23$$

** excluding 14 to 18 May (5 days) as this was before the Home-Based Learning (HBL) came into effect*

- 2) On 15 May 2021, an Undergraduate Student Concession Card holder purchased a \$54 Hybrid Concession Pass (HCP) for use from **18 May to 17 June 2021**. If she had used the HCP on 20 May and 3 June, she will receive a **pro-rated refund of \$42** for the unused days of pass usage, computed as follows:

$$\frac{\text{Unused: 24 days **}}{31 \text{ days (18 May to 17 June)}} \times \$54 = \$42$$

*** excluding 18 May (before HBL), 20 May and 3 June (days of usage), and 14 to 17 June (days after the P2HA period): total 7 days*

5. When and where can I collect my pro-rated Monthly Concession Pass refund?

7. What if my student Monthly Concession Pass (MCP) expired after 16 May 2021 and I still require an MCP to commute?

You can still purchase a new MCP but there will be no refund for MCPs purchased after 16 May 2021, when the Home-Based Learning restriction was announced.

8. I purchased my student Monthly Concession Pass (MCP) on or before 16 May 2021 and note that the unused value within the period from 19 May to 13 June 2021 will be refunded. Can I still use my MCP during this period?

You will still be able to use your MCP purchased on or before 16 May 2021 until its expiry. However, only the unused days of the pass within the period from 19 May to 13 June 2021 will be automatically refunded.

That said, we encourage all to stay at home and minimise non-essential travel.
