**13 October 2021**

Dear Parents/Guardians,

## **Marking Days and Programme of Activities during the Post-Examination Period**

As stated in the October Principal's Letter, Monday, 18 October and Tuesday, 19 October have been designated as marking days and students need not report to school on these days.

We have planned a programme of activities after the End-of-Year Examinations (EYE) for all Secondary 1, 2 and 3 students. Some of these activities will be conducted in school, while others are home-based.

The details of the dates of when these activities have been scheduled for each class can be found in Annex A.

We seek your support in ensuring that your daughter/ward participates in these activities:

### **a) Home-Based Activities (Students Need Not Report to School)**

#### **(i) Home-Based Learning (HBL) cum Enrichment Days**

Students are required to stay at home during HBL cum Enrichment Days. Your daughter/ward will participate in a mixture of synchronous and asynchronous sessions. These sessions involve students using the Student Learning Space to complete modules designed to help them achieve baseline productivity skills related to the National Digital Literacy Programme (NDLP).

Dates of the Home-Based Learning (HBL) cum Enrichment Days are found in Annex A. The detailed schedule of activities on these days will be made known to students via their ICON email.

#### **(ii) Curriculum Continuity @ Home**

Curriculum Continuity sessions consisting of asynchronous and synchronous lessons will be conducted to bridge students' learning gaps and better understand the content that was not tested in the EYE.

Students are to refer to the details on the [SMSS Student Learning Site](https://sites.google.com/moe.edu.sg/smsstudentsportal/home) (<https://sites.google.com/moe.edu.sg/smsstudentsportal/home>) and need not report to school on days when they have Curriculum Continuity @ Home lessons (refer to Annex A for the dates of these lessons).

### **b) School-based Activities (Conducted in School)**

#### **(i) Checking of EYE Scripts**

Students are required to report to school on **Friday, 22 October and Monday, 25 October** to check their EYE scripts.

**(ii) Curriculum Continuity @ School (for Secondary 3 students only)**

Students are required to report to school on days when they have Curriculum Continuity @ School lessons, dates of which are listed in Annex A. The detailed schedule will be given to students after the EYE examinations.

**(iii) Study Camp**

For students who did not perform satisfactorily in the EYE, a study camp will be conducted to help them close their learning gaps. Students identified for the study camp will be notified after the release of the EYE results. A schedule will be given to them and they are required to attend the study camp in school.

Thank you for your continued support and partnership.

Yours faithfully,

Ms Linda Lim  
Principal
